Minority & Women-Owned Business Enterprises:

PARTICIPATION REQUIREMENTS

Design-Build Legislation

The legislation that authorizes DDC to use Design-Build as a capital project delivery method provides additional tools or opportunities to engage the M/WBE community in City capital projects.

- As a result of this newly found flexibility, DDC now requires all Design Build teams to submit an “M/WBE Program Experience Form” at the RFQ stage.
- M/WBE Participation goals on the Design and Construction phases will be disaggregated as follows:
 - 10% Black American
 - 10% Hispanic American
 - 10% Unspecified
- Firms will **not** be allowed to submit pre-proposal and pre-award waivers
- The Office of Diversity and Industry Relations will monitor performance against M/WBE goals throughout the life of the project. We will work closely with the design-builder to make sure that they meet the goals.

Minority & Women-Owned Business Enterprises:

PARTICIPATION REQUIREMENTS

In order to facilitate meeting targets while maintaining a robust vendor pool, the Design-Build Program:

- Allows for the use of **state-certified M/WBEs** in addition to city-certified M/WBEs
- **Eliminates any tier restrictions** on eligible M/WBE participation
- **Counts suppliers** at 60% of the subcontract value

Minority & Women-Owned Business Enterprises:

PARTICIPATION REQUIREMENTS

M/WBE Requirement can be achieved by:

1. M/WBE Prime Vendor
2. Qualified M/WBE Joint Venture
3. M/WBE Subcontractor(s)

New York City Department of Small Business Service certified M/WBE firms listed at: <https://sbsconnect.nyc.gov/certification-directory-search/>
