| TMC Accounting and Administrative Solutions, LLC                        | Terri Matthews-Cotton; 646-408-0789; tmc@thetmcdadvantage.com                                   | NYC Small Business Services (SBS) M/WBE  | Black WBE                       | <p>TMC Accounting and Administrative Solutions LLC (TMC) is a project management firm offering financial contracting and project management of programmatic activities. Currently, TMC offers outsourcing for Finance, IT, Administrative/Operating, Compliance and Programmatic activities. This has entailed TMC acting in the following ways:</p> <ul style="list-style-type: none"> <li>• Managing the full-cycle of accounting processes, including supervising fiscal personnel on staff and/or providing staff as needed.</li> <li>• Assuming responsibility for all grant funded fiscal activities, assuring compliance with grant restrictions, preparing expenditure reports and meeting with auditors as needed.</li> <li>• Providing external IT consultants to address an organization's needs.</li> <li>• Assessing and streamlining an organization's operational activities in an effort to reduce expenditures.</li> <li>• Sourcing grant opportunities which may be a good fit for and contribute to a non-profits growth.</li> <li>• TMC also offers grant writing, program design and build. Once a grant is awarded, TMC works alongside program staff to unfold the program or serves as the project manager responsible for the program's direction through its end date.</li> </ul> |

| TMC Accounting and Administrative Solutions, LLC.   | Terri Matthews-Cotton, 646-408-0789; tmc@thetmcdadvantage                                   | NYC Small Business Services (SBS) M/WBE  | Black WBE                       | <p>TMC Accounting and Administrative Solutions LLC (TMC) is a project management firm offering financial contracting and project management of programmatic activities. Currently, TMC offers outsourcing for Finance, IT, Administrative/Operating, Compliance and Programmatic activities. This has entailed TMC acting in the following ways:</p> <ul style="list-style-type: none"> <li>• Project management overseeing all aspects of the project from project planning, resource allocation, risk management, liaising with stakeholders and budget management</li> <li>• Managing the full-cycle of accounting processes, including supervising fiscal personnel on staff and/or providing staff as needed</li> <li>• Assuming responsibility for all grant funded fiscal activities, assuring compliance with grant restrictions, preparing expenditure reports and meeting with auditors as needed</li> <li>• Providing external IT consultants to address an organization's needs</li> <li>• Assessing and streamlining an organization's operational activities in an effort to reduce expenditures</li> <li>• Sourcing grant opportunities which may be a good fit for and contribute to a non-profits growth</li> <li>• TMC also offers grant writing, program design and build. Once a grant is awarded, TMC works alongside program staff to unfold the program or serves as the project manager responsible for the program's direction through its end date</li> </ul> <p>The TMC Advantage also has a functional commercial cleaning division which offers post-construction cleaning of new and restored sites.</p> |
