

MURPHCOMF Pre-Submission Q&A

#	Questions	Responses
1	Please define "net zero" in the context of this project.	The new buildings should aim to achieve net-zero energy consumption.
2	Will you make the presentation available to participants?	The Pre-Submission presentation has been posted on DDC website.
3	Will a link to the NYC Parks design standards for the bathrooms be provided? I see it referenced on Page 3 but no link or directory of where we can find it.	The NYC Parks design standards for public restrooms will be provided in the RFP
4	Any requirements for LEED / ENVISION Certification?	LEED/ENVISION Certification is not required for the project
5	Will there be a self performing requirement for the design builder?	There is no self performance requirement for the design-builder.
6	I want to confirm something from an earlier slide, am I understanding correctly that a stipend will be provided to the 3 shortlisted companies chosen from the SOQ?	A stipend is anticipated to be offered to non-selected Short-listed Proposers found responsible and submitting a responsive Proposal in response to a subsequent RFP (step II).
